## About Crawley

Situated halfway between London and Brighton, Crawley is at the heart of one of the most dynamic regions in the country. It offers all the energy and excitement of a thriving town set alongside the beautiful countryside of West Sussex. It's a great place to live, work and visit with some of the best facilities in the south east.

The town has some of the best leisure facilities in the south east with a state of the art leisure centre at K2 complete with 50m swimming pool, 12m high climbing wall and athletics track. In addition there is an excellent public golf course at Tilgate Forest and a wide range of sports pitches.

Crawley has some great open spaces, including Tilgate Park, a wonderful public park set in 400 acres and home to a golf course and nature centre. Tilgate Park, winner of the national Green Flag Award, attracts more than a

million visitors each year and stages a wide range of events all year round from Dragon Boat racing on the lake to a green fayre. All the town's parks and open spaces are linked by the Crawley Millennium Greenway, a circular route around the town for walkers, runners and cyclists.

Crawley is the ideal place to shop, dine, or enjoy the wealth of leisure facilities. From the charming historic High Street, to the modern shopping centre at County Mall - there is something for everyone. Popular High Street stores are well represented, coupled with good access and excellent parking facilities. County Mall is now established as the region's major shopping destination with a host of high street names attracting an ever increasing number of shoppers. A vibrant night life attracts tens of thousands of people to the town each week – young and old alike.

Crawley has excellent road and rail links and is home to Gatwick Airport, the largest single runway airport in the world. Over 32 million passengers pass through each year travelling to more than 200 destinations worldwide.
